# How You Can Help:

- 1. Financial Contributions:**  
Support travel, accommodation, and training costs. Donate via our website or direct bank transfer.
- 2. Hosting and Accommodation:**  
Host team members or provide lodging in tour cities. Build personal connections and offer a homely environment.
- 3. Organizing Local Events:**  
Help organize meet-and-greets, fundraising dinners, and practice matches.
- 4. Exposure and Technology Exchange:**  
Arrange tours to local landmarks and industries to highlight advanced technology aiding blind individuals.
- 5. Volunteer Support:**  
Assist with logistics, transportation, and event coordination. Your time can make a difference.
- 6. Corporate Sponsorship:**  
Sponsor the team or events. Receive extensive promotional opportunities in return.
- 7. Media and Publicity:**  
Spread the word through social media, articles, and local media coverage.
- 8. Attend Matches:**  
Boost player morale by attending matches. Check our website for the tour schedule.
- 9. Charity Dinners:**  
Host dinners to raise funds for building the first accessible cricket stadium in India for blind cricketers.
- 10. Play with the World Champions:**  
Bring your club, society, corporate, or local teams to have a friendly match with the world champions.

The Indian Cricket Team for the Blind consists of partially sighted players and anyone and everyone can play a friendly match with the team.

**Your support can make this tour an unforgettable experience for our players and a milestone in promoting cricket for the blind globally. Together, we can inspire more people to appreciate the talent and dedication of blind athletes.**

# US Ambassador Eric Garcetti shows his gracious support

← Post

U.S. Ambassador Eric Garcetti

@USAmbIndia

I am truly "bowled over!" What a joy to meet and cheer India's Blind Cricket Team as they prepare to promote blind cricket in the U.S. during the T20 Cricket World Cup. Can't wait to welcome them and celebrate the magic of cricket in America! Thank you @GKMahantesh and Cricket Association for the Blind in India (CABI) for hosting this inspiring event at the Chinnaswamy Stadium, the world's first solar-powered cricket venue. #PlayWithUS #USIndiaFWD #SportsBuildBridges #SportsDiplomacy #GoGreen
